[Request a Fusion Brochure](#)**CAROLINA HOYOS**

Studio D's Artist of the Month brings the ephemeral sound of confident vocals over piano and guitar. Versatile and unique, Hoyos has forged her own path in the music and film world, blending her colorful grassroots style with talented collaborators along the way.

ARTIST OF THE MONTH**Carolina Hoyos**

An accomplished pianist and vocalist from Washington, DC, Carolina Hoyos is a multi-faceted musician - playing keys, guitar and singing her heart out. Having shared the stage well-known musicians while fronting the NYC rock band Morgan Ave, she is currently writing and performing with several producers in NY and LA. As a solo artist, she has shared the stage with INXS' keyboardist/guitarist. Her pop-rock track, "Waiting For You," can be found on Kron Studios' MUSIC FROM THE INVISIBLE SKY compilation CD. "Rock My Game," a hip-hop collaboration, is featured on the latest Zoo York skate video.

In addition to her career initiatives, Carolina makes time and lends her singing and acting talents to some of her favorite charities such as LIFEbeat's Hearts & Voices Program, A Very Jaggered XMAS to benefit pediatric AIDS and at the Susan Komen Race for the Cure.®
